Atlantic City, N. J., June 25.—A company-controlled "union" of Western Union Telegraph employees sent a delegation to this city to induce President Manion of the National Railway Telegraphers to issue his order that no railroad telegraph accept commercial business during the commercial telegraphers' strike.

President Manion forwarded this reply to the "union" officials: "I would suggest that you ask the other employees of Western Union, who, by lack of knowledge of the principles of labor unionism, stand squarely in the path of men and women who seek to improve their working conditions and

organizations of your trade, the Commercial Telegraph Union, and thereby take you with the red-blooded Americans and women, rather than your services as pawns to the machination of the labor-bait officers of the Western Union telegraph company."

...would have the power to expropriate these lands and resort to the ordinary processes of law to make them available for soldier settlement. The board could enter upon any land for the purpose of making surveys and preparing legislation is in the hands of a government order, issued Feb. 11 last, empowering the board to acquire land for soldiers and to raise sums of money, aggregating \$100,000,000, to be paid to a soldier for land purchased by him, and the erection of permanent improvements.

"TITLE" UNION QUESTION.

Memphis, Tenn., June 28.—On the subject of the "title" union question, that two and two are five

not be changed, laundry em-
ployees in this city announce that
the union in the laundry in-
dustry won't work and all union
must get out.
A short time ago these employ-
ees and the bosses posted
notice in their plants:
"Has been proven all over the
city that union is not ap-
plicable to the laundry business.
It save confusion both to the
employer and employee will not
employ any one belonging to the
union, and hereby notify all work-
ing members of the union to
withdraw or turn in their mem-
berships."

ago, June 23.—The Acme Store company has notified its employees that the eight-hour day will be abandoned, and that 10 and 12 hour shifts must be paid, with the eight hours pay, under the new rule. To show its "concern" for the company paid off half its employees. A representative of the United Brotherhood of Carpenters and Joiners of America, a department of labor is trying to settle the matter.
